Oral Phone Sex

posted by Dillon on Sep 4

I like **oral sex**, if you have a **big dick**. If that's the case you might make this **teen sluts** mouth water for the taste of a **blow job**.

What if you have a **tiny dick**? I like those too, but just because they make me laugh. I like to make fun of that **small dick** then maybe I'll make you **suck cock** just so you realize what a real man is. If I'm in a generous mood I'll have you on your knees **eating pussy** and begging to **cum**.

I love it when guys send me **naked pictures** of their dicks so I can size them up. You know, spread them out on the bed and see just what it's going to be for you. Will I play with my **hot teen pussy**, or laugh my **hot ass** off?

So what is your **penis size**? Is it lick or laugh? LOL

Teen Sex Stories Phone Sex

Daddy and I have a special **sex game** we play every night. I try to make daddy cum by telling him **dirty sex stories** while he jerks off, and he tries to hold off and not cum.

I like to see how hard daddy tries not to cum when I tell him about me and other little **teen sluts** making out with each other at my friend's slumber party. I tell him how us **horny teens** rubbed our **teen tits** together, kissed, and even licked each other's **tight teen pussy**. Daddy can never hold out when I start talking about **teen lesbian** sex and **pussy licking**!

Daddy also likes to hear about what a **naughty babysitter** I have been. I told him the father at my last babysitting job came home early and I got **caught masturbating**. I pretended I didn't see him, and just let him watch while I rubbed my **tiny titties** and **young teen pussy**. I almost laughed at how excited he got when I told him how I made my **pussy squirt**.

I even told him how me and the other cheerleaders gave the whole basketball team a **teen blowjob** before the big game! Daddy loved hearing about how I got **cum on my face** and we licked it all off each other. I didn't even have to tell him about the **teen gangbang** after the game!

Daddy's not very good at this game because no matter how hard he tries, I always win!

Want to play this game with me? **Sex stories phone sex** is lots of fun to play!

I've always been a **slut** in the making. Even when I was a **little girl**, I used to get into trouble for letting the little boys touch my **bald pussy** for a quarter or a gumball. giggle

I remember overhearing my teachers talking. They knew I was a little **slut load** too. Fine, she didn't like me? Well her little boy sure did! Especially when I told him I would **suck dick** for the cupcake in his lunch bag.

We did it on the playground. Right behind the cafeteria. I got down on my knees and gave him a **blowjob** while he said **suck my dick** over and over. giggle

Guys are so silly. You'll do anything for **young sluts**, won't you?

Mutual Masturbation Phone Sex

posted by Bailey on Aug 9

The first thing this **teen slut** does in the morning after waking up, is reach over and grab my vibrator and turn it on. Nothing like a **morning orgasm** to start the day!

I spread my **naked legs** and hitch up my t-shirt to play with my **small tits**, then just relax as I press the vibe to my **teen clit**.

Mmm... it feels so good that I get a **wet pussy** almost right away. I can't help but slip my hand down my stomach to my **dripping pussy**. I love the wetness as my fingers get coated in my own **pussy juice**.

I turn my vibe up a little higher and I lift my fingers to my mouth, tasting my own essence. I love the part right before you want to come. That in between time where you want it to happen so quickly, yet at the same time you want it to last forever. Almost like **sexual foreplay**.

I slip the vibe inside me and it pushes me over the edge; makes me cry out in delight as I am wracked with waves of pleasure with a **gushing orgasm**.

While a **vibrator orgasm** is pretty good, it's nicer if I have someone to share that with. **Mutual masturbation phone sex** is so much better!
